7) The letter dt 6-4-55 of the Chairman (Page 17) is submitted for perusal. As the cost of sites found in S.Nos 3 & 4 of Dandupalya Chandapalli (which is a part of Vasanthanagar layout) comes to about Rs 8/- per sq yd, the Harijan Leather workers cannot perhaps afford to have sites at this rate. Instructions have been issued to the chairman to have the work of this layout completed by the end of April 55. Sites are proposed to be formed at as cheap a rate as possible and are proposed to be leased on a monthly rental. The chairman's suggestion may perhaps be accepted and he may be requested to earmark sites to the Harijan Leather workers in the layout in Nagasandra Road and allot them on the principles subject to which the Khalasipalyam displaced persons would be given sites. OFFICE OF THE MINISTER FOR HOME & INDUSTRIES No 3375 11 DEC 1954 BANGALORE

To

The Hon'ble Home Minister,
Government of Mysore,
Bangalore.

13 [illegible] 1954

Petitioners: Harijan Leather Workers of Bangalore.

Sir,

Sub: House building sites and constructing houses for the Harijan Leather Workers of Bangalore

...

We the undersigned Harijans, Leather Workers by profession, humbly beg to submit the following few lines for your kind consideration and necessary action.

We stand somewhere in the lowest strata of society and had no opportunity so far to know what living is and to live like human beings. By age long persistent segregation by the higher and more favoured classes in society, we have been very backward in all respects, living in hovels and earning our livelihood by miserable means. Thanks to you, Sir, our leaders, and to the benign Government at the Centre and to the great efforts of Gandhiji, we are seeing the light of day. The Government both at the Centre and in the State have been creating all sorts of facilities for us and trying to bring us up to be on a level with the other communities, and we are very grateful to them.

We the Harijan Leather Workers by profession in Bangalore are very poor and our great difficulty is having a decent house to live in. We somehow earn for our bare necessities of life and for as little of clothing as possible which is quite sufficient for us. But our greatest difficulty is a house, for want of which we huddle ourselves in hovels and lead a miserable life. Due to this, our children are never able to come up to any small extent.

We did not know so far that the Government of India has set apart a certain amount for grants to Harijans for building houses, and similarly, we did not know that our State Government has also set apart some amount for this purpose.

When the Hon'ble Jagjivan Ram, the Minister for Communications, Government of India, recently visited Bangalore, and when we approached him to solve our problem of housing, he told us that the Centre has kept apart a sum of 37 crores for building houses for the Harijans and that the State Government has also set apart some lakhs specially for the Harijans, and asked us as to why we did not take advantage of this facility.

Recently our beloved Prime Minister Pandit Jawaharlal Nehru has stated that lands should be acquired and given to us freely.

We are therefore approaching you for providing houses for the poor Harijan Leather workers in Bangalore. Near Vasantanagar near the Bangalore Palace, opposite the Vasantanagar Child Welfare Centre, sites for building houses are being acquired by the City Improvement Trust Board. Most of the land belongs to Government and is lying waste, and the Trust Board is intending to acquire the same for the extension of Vasantanagar. We therefore beg to request that all the place available around Vasantanagar may be specially reserved for us for constructing houses for the homeless Harijans leather workers of Bangalore.

We are very poor people as our profession does not pay us even to meet our bare necessities. As such, under the amount reserved for us for constructing houses, we request that liberal grants may be sanctioned to us to enable houses to be built for us at Vasantanagar.

We have been hearing that Government are making great efforts to provide houses for the underdog and request that our prayer may be granted. It would be quite sufficient for us if the tenements are small to house a small single family. We would only pray that immediate action may be taken to reserve the available Government land around

Vasantanagar at Bangalore for house-building sites for the Harijan Leather Workers, and grant us liberal funds to build houses, or that Government themselves undertake to build houses out of the fund reserved for this purpose and allow us to live in the tenements.

For which great act of justice in the cause of the well-being of the Harijan community, we would ever remain grateful.

We beg to remain,

12 JAN 1955
GOVERNMENT OF MYSORE

To

The Hon'ble Health Minister,
Government of Mysore,
Bangalore.

Respected Sir,

Difficulties of the Harijan Leather Workers of Bangalore

We are a very poor lot of people, hardly getting a daily wage of one rupee or one and a quarter rupee per day, and that too not all days in the week. With this wage, each of us has to protect 5, 6, 7 & 8 people. We have no houses to live in. We live in huts and hovels 5 to 8 people in one room and sometimes 2 to 3 families huddled together in a hovel. Have we to curse our fate for being born in such wretched conditions and in this community? OR is it necessary that we should live in such miserable condition for the orderly progress of the higher classes of society? May we submit to your great heart that we, our children, our children's children and so on will always be in this condition if you do not take the needed earnest and personal interest in the well being of this the most backward class of Harijans.

Our greatest need is a small house. When we approached you last week for building houses in Vasantanagar in the open space available, you very kindly directed us to approach the City Improvement Trust Board. We approached the Chairman and explained to him that Survey No.3 near Vasanthanagar is available for housebuilding purposes and requested that houses may be arranged to be built for us granting us sites. He

(45) (16)

said that if he received orders from Government, he could arrange to have houses constructed for us and also grant us sites

Therefore, we are approaching you again. Survey No.3 is an open space near Vasantanagar and we beg to request that this land may be reserved for us for making sites and get houses built for us.

Sir, our great leaders, and Gandhiji have been repeatedly urging that houses should be built and given free for the Harijans, the most backward community in the Country. But for the irreparable loss of the Mahatma, we feel that we would have had houses by now. No doubt, our Government at Mysore and the Central Government have set apart certain sums in the Budget specially for the construction of houses for Harijans. We would request your kindself that during your regime, just as the VIDHANA SOUDHA has come, our houses may also rise up near Vasantanagar, meeting the cost of the same from the Fund set up in the Budget for building houses for Harijans in Mysore State.

For which great act, we would ever pray,

We beg to remain,
Respected Sir,

HB. 11. 33 - 12

Sir,

Subject:- House Building sites to the Harijan leather workers in Vasanthanagar Extension.

With reference to your letter No.L.12571 dated 12-1-55 on the above subject, I write to state that the spot suggested by the petitioner viz., S.No.3 and 4 of Dand-upparahalli comes within Vasanthanagar Layout of the Trust Board. These lands have already been acquired and formed into layout. The estimated cost of the layout is Rs.12,18,000/- including the cost of acquisition and to make the scheme self-supporting, the minimum rate of Rs.9/- per Sq.Yd.for smaller sites to be formed in this area has to be charged.

2) The petitioners also presented a representation to this Office on 19-2-55 to consider the question of S.No.2 of Danduppa-rahalli in lieu of S.No.3 and 4. Survey Number 2 forms forms a portion of Miller Tank bed and is a Government land and has been notified for acquisition and possession thereof taken on 29-9-54 and it is proposed to keep it as a play-ground since it is not fit for building purposes as it gets water-logged and swampy during Rainy Season.

3) They may however be provided with suitable plots in the area lying vacant along Magadi Road where the Trust Board has got a scheme for providing sites to the displaced Harijans of Kalasi-palyem area. The Scheme will be taken on hand soon after neces-sary funds are placed at the disposal of the Trust Boar by the

Corporation which question is still under correspondence with the Government of India.

4) The President of the Harijan Leather Workers Welfare Society has been endorsed to intimate whether the Society would be willing to purchase plots for its members in Nagadi Road and further action will be taken on receipt of his reply.

5) I am reporting this for the information of the - - Government.

Yours faithfully,
